The Clerk read aloud the public hearing notice as it appeared in the newspaper. Mayor Rubino explained that the current loader is broken and dated, and the money that it would take to make the repairs would be better used to invest in a new one. He also added that the intention in the adjust some purchases in the 5-year plan and move this purchase up and delay a purchase that was scheduled for this year, that can wait for when the loader was originally scheduled to be replaced in year 3.

There were no further questions or comments from the board or public.
