

**NOTICE TO RESIDENTS
OF THE VILLAGE OF COLONIE**

The **Village of Colonie Water Department** will begin the annual flushing of the water system,

MONDAY, March 23, 2026 (weather permitting).

All flushing of hydrants will be done between

The hours of **11:00 p.m. and 7:00 a.m.**

Residents might notice discoloration during this program and should be aware this is normal and not harmful.

However, residents are cautioned to check their water before

using their washing machine or any other appliance that uses water. If discoloration persists, notify the

Village of Colonie Water Department at 518-869-6372.
